

SATURDAY 23rd. OCTOBER 2021

ALL ABOARD THE GOOD NARROW BOAT 'DAYS AWAY'

On a cloudy, but rain free, Saturday morning a small group of parishioners joined Arron on his narrow boat for a short trip on the Grand Union Canal, through three locks and onto the Oxford Canal.

Dave, getting some instruction from Captain Arron, crewed with Martin & Len

An excellent lunch was enjoyed by all and prepared by the ladies, who were given the opportunity to crew, but declined, happy to chat and enjoy the countryside.

A pleasant day on the water was just what we needed and hope Arron will invite us aboard again.
